

## ***Fifth Annual Reservoir High School Marching Gator's MARCH-A-THON***

Based on our fantastic results from our first, second, third, and fourth March-a-Thon, we decided to make this an annual event. The last few years have been extremely successful, with marching band members raising more than \$16,000!

Students from each section will be given pedometers to measure how far they marched each day, and students will use their section's mileage on their pledge forms to determine the amount of money to collect. **Last year, marching band members marched between 50-65 miles!** (The drum-line has been the annual run-away-winner!)

Don't forget! 25 sponsors will be randomly selected to receive a pass to watch the award-winning Reservoir Marching Gators at a home football game!

**Goal:** This year's goal is for each Marching Gator to secure a **minimum of ten pledges** (based on the number of miles marched), **or a total of \$50 (or more!) in flat donations, or any combination thereof.** **Each student is expected to fully participate!** Sections that don't march, like the pit and color guard, will use the band's overall mileage on their pledge sheets.

**Checks:** All checks should be made out to: "RHS Music Boosters"

**Due Date:** All pledge forms, with the money collected, are due to the band office **no later than September 15, 2010.**

**Additional Forms:** Additional copies of all forms will be posted online at: <http://www.rhsmusic.wikispaces.com>.

**Additional Information:** Please contact Mr. Dubbs if you have any questions or need additional information:
